

Complaints the KCEHD May Help You With

In general, we at the KCEHD may help if you:

- see water that may be polluted
- see or smell something unpleasant in the air
- see land that may be contaminated
- have information or evidence about an environmental problem
- have problems with an individual or company licensed or registered by the TCEQ
- have a problem with a septic system –call your city or county to find if they can help
- have a problem with air pollution outdoors
- have a complaint about littering, illegal dumping, solid waste, or used oil dumping, or any public nuisance
- need assistance understanding environmental laws (OSSF, Solid Waste, Illegal Dumping, &/or Nuisance Conditions)

If you have a problem or complaint other than the ones listed above, we may not be the appropriate agency to assist you; however, we may be able to assist you in providing information or a contact number to the proper agency. You may also check your local phone listings to find the appropriate agency.
